WHY BECOME AN ESTHETICIAN?

Help others feel confident about their appearance by keeping their skin radiant and smooth. From acne and rosacea, to wrinkles and scarring, estheticians and skin care professionals create a positive change in the world, one face at a time.

Get started with training from Health and Style Institute, which will teach you the fundamentals of esthetician work, while preparing you for state licensure.

WHAT IS INCLUDED IN THE SKIN CARE THERAPY PROGRAM?

This all-encompassing and modern course also covers all the fundamentals of skin care, facials, facial massage, hair removal, spa body basics, business aspects, product knowledge and effective retailing

In addition to technical instruction, you will also learn vital business skills that will help you in your career, including customer service, hygiene, retail skills and compliance with state laws and regulations.

IS FINANCIAL AID AVAILABLE?

Health and Style Institute is approved to participate in the U.S. Department of Education's Federal Student Aid Programs. We offer several options for tuition assistance, including Federal Financial Aid, Grants, Student Loans, Government Assistance for Dislocated Workers, Veterans Education Benefits, Government Assistance for Disabled Individuals, and Corporate Tuition Assistance and Reimbursement.

Our Financial Aid Specialists will work with you to determine what you qualify for.

WHAT KINDS OF COURSES WILL I TAKE?

The curriculum at HSI covers a wide range of skin care therapy topics and techniques to prepare you for career success. Some of the things you'll study are:

Skin Types and Conditions -

Learn the anatomy and physiology of the skin, including skin types, conditions, disorders and diseases. You'll learn to analyze clients' skin and uncover any concerns they may have.

Skin Treatments -

From facials to body wraps, estheticians treat skin on all body parts. You'll learn to address problems and blemishes, as well as perform microderm abrasions, exfoliations and chemical peels.

Skin Treatments -

From facials to body wraps, estheticians treat skin on all body parts. You'll learn to address problems and blemishes, as well as perform microderm abrasions, exfoliations and chemical peels.

Hair Removal -

In this program, you'll learn how to create delicately arched eyebrows, perform waxes and remove unwanted body hair.

Facial Massage -

Help reduce fine lines and wrinkles and increase blood circulation in the face. In the skin care therapy program, you'll learn a variety of facial massage techniques to improve elasticity and stimulate collagen production.

Product Suggestion -

Radiant skin requires work and the right products. At HSI, you'll learn to evaluate and recommend products based on each client's needs.

WILL I EARN A LICENSE?

Upon completing the Skin Care program at HSI, you will receive a diploma and be prepared to pass the State Cosmetology Board exam. Once you have passed this exam, you will become a licensed esthetician.

WILL HSI HELP ME FIND A JOB?

Our goal is to do more than teach graduates a trade - we strive to equip them for long-term success. With this in mind, our programs are designed to provide you with all the tools you will need to find and secure a job.

While placement assistance and career services are always available, Health and Style Institute cannot guarantee that students will become employed. We reserve the right to withhold career services if students have not met their academic or financial obligations.
